The Cuero Independent School District is happy to announce that it has begun to implement Skyward's PaC Family Access™ system for parents or guardians of Cuero ISD students (grades PK-12). It is totally secure and as easy as a "Point and Click" to use. It will be available to use after January 1, 2008.

Please enter accurate information in the following fields. Accounts are for parents or guardians of Cuero ISD students only (grades PK-12). **We will activate your account and contact you with login, password information, and a user guide.** In order to activate the account, Cuero ISD may request additional information for verification purposes.
